

COLLEGE SHOULD BE ABOUT YOUR TOP CHOICE, NOT THE BOTTOM LINE.

FLAGSHIP 50

WE MATCH FLAGSHIP STATE TUITION FOR EVERY STATE

A small, private university in the big city of **Atlanta** where professors' **#1 priority is teaching** you. A place with unparalleled hands-on opportunities for research, service and work experience. **This is Oglethorpe.**

We believe small is better, and if you do too, we want to make your choice a little easier. If you qualify, we will **match the in-state flagship tuition** for all 50 states, including District of Columbia and U.S. Territories. You **LITERALLY** get a private school education at a state school price. You'll also be invited to our annual on-campus scholarship competition to compete for full-tuition scholarships. Plus, if you qualify for state or federal grants and scholarships, you can bring those to Oglethorpe, too!

MINIMUM QUALIFICATIONS

- Cumulative high school GPA of **3.8** (as calculated by Oglethorpe)

or

- **1400** SAT Evidence-Based Reading and Writing + Math Superscore

or

- **30** ACT Superscore

See oglethorpe.edu/flagship50 for more details.

HERE'S HOW IT WORKS

If you qualify, the amount you will pay before any outside aid is applied will be **no more than the published tuition and fees for the flagship institution** in the state where you reside. Upon admission, all students will be considered for Oglethorpe financial aid and scholarship programs. If, after all Oglethorpe aid is considered, you still owe more in tuition and fees than the published flagship rate for your state and meet the minimum qualifications for the Flagship 50 program, we will award an **additional scholarship** to bring the amount down to the flagship rate. Your outside scholarships and eligible state and federal aid are **on top of these** programs. So, from the flagship rate, we will then apply any outside aid you receive (GA Hope, GA TEG, Pell Grant, National Merit Scholarship, etc.) **to lower the cost** even more.
