Professional Experience

Assistant Videographer, Dynasty Consulting Agency, Atlanta, GA

November 2022-Present

- Serve as a videographer to produce an independent film, *Hold My Hand in the Dark*, centered on a child who must overcome his fear of monsters
- Analyze and edit scenes for pacing and narrative continuity, trim shots, and ensure alignment with the director's vision throughout the production
- Compile raw footage and material, perform editing on sound and sequences to stay within budget

Internship, Kids Beat Production Company, Brookhaven, GA

February 2023

- Aligned with showrunners on creative vision and worked independently across assigned stages to execute vision
- Supervised assigned areas, including boards, visuals, animatics, layout, animation, casting, vital records, episode songs, underscore, special effects, and mix
- Worked with writing team to execute storytelling that aligned with creative vision while staying within the established parameters
