**MAKE A LIFE  
MAKE A LIVING  
MAKE A DIFFERENCE**

**24-26  
APRIL**

# LASS

## STORMINESS OVERVIEW

### **LASS 2024 tips and general information for student presenters**

---

Greetings Petrel presenters:

Are you almost ready? **LASS** is upon us and I am very excited to see and hear about your projects. Please find some reminder best practices and logistics information below.

---

# LASS

## STORMINESS OVERVIEW

### **when to be in your presenting space**

Recommended at least 10 minutes before session start. More or the day before if you want to visualize where you will be and what set up will look like.

### **PRISM poster session presenters**

You should have submitted your actual research poster pdf to the submit button on the [LASS webpage](#) by now. The professors who are grouping the titles together in the space (TLCC atrium and patio) will generate a QR code for final location, times and presenter information within the block of PRISM session 8-11 a.m.

### **honors, traditional panel, critical dialogue and STEM panels**

Panels that have 4 presenters have 15 minutes per presentation allowing for generous Q & A time afterwards even including transition time from one presenter to the next and introductory remarks by your panel chair / moderator. Panels with 5 presenters still have 15 minutes each, but Q & A is reduced to roughly 15 minutes afterwards. Panels with 3 presenters may use up to 20 minutes each.

# L A S S

## STORMINESS OVERVIEW

Under no circumstances will you be allowed to go over the allotted time of your panel composition because it is good to get the experience distilling down the important point(s) to focus on in your research and keep to time professionally as it is in conferences. The Q & A and discussion time afterwards is the beautiful part and it would be almost a crime 😊 to deny us all that rich discussion time.

You should email yourself your presentation paper and notes as well as try to print them out / bring your device. And if you really want to make triple sure, you may email me your presentation slides (powerpoint is best for all the computers in the spaces) for me to have them primed and ready to go.

### **check-in and presenter badges**

Your badges will be available from 7:00 a.m. Friday morning in the TLCC lobby area.

All students are welcome to **email me directly** for any last-minute questions.

Dr. WP
