

GICA Compliance Collaborative

2018 Webinar Training

Campus Sexual Assault Response Teams

(1 Hour Webinar – April 26, 2018)

AGENDA

Definition – Campus Sexual Assault Response Team (SART)

Objectives – Campus SART

Victim-Survivor Centered

Challenges

- Limited resources
- Differences in professional missions
- Lack of appreciation for the roles of other SART members
- Frustration and burn-out
- Differing confidentiality requirements
- Conflict between SART members
- Turnover

Getting Started

- Identify key constituents
- Inventory existing services
- Review protocols and procedures
- Draft policy and memos of agreement

First Meeting Suggestions

- Begin flow chart of services
- Identify key constituents
- Plan agenda for next meeting

Initial Goals

Nourishment and Maintenance

Resources

Presenter: Presenter: Carol Mosely, MA

Carol served as the Healthy Campus Project Director for the Georgia Healthy Campus Initiative, 2017 - 2019. Prior to that initiative, Carol was a Director at We End Violence, a company that provided

sexual violence prevention materials and training to higher education institutions and the U.S. military. Carol was the Director of the Rape Prevention Education Program at the University of California at Santa Barbara for 12 years. During that time, she was also a Subject Matter Expert for California POST (Peace Officers Standards and Training), serving on the team that developed and provided training on trauma-informed investigations.
