

You have plans for your education. We have plans to help you pay for it.

The University establishes a deadline for making payment arrangements for each academic term. By that date, the student account balance not covered by financial aid must either be paid in full or completely covered by payment arrangements established with the University. Students without complete payment arrangements after the deadline may be removed from classes, may lose their residence hall assignment, and may have late fees applied to their account.

Payment Arrangement Deadlines

Semester	Deadline
Fall 2026	August 3, 2026
Spring 2027	December 15, 2026

You have the option of scheduling interest-free payments each semester. These plans allow for the payment of balances not covered by scholarships, loans, or other financial aid. You have the option to enroll in Autopay so you can set it and forget it!

- Enrollment Fee: \$55 per semester; no additional fees will be charged if payments are made by the due date.
- You must enroll each semester; fall enrollment does not roll over to spring.
- No payment plans for the summer courses. Payments for the summer terms are generally due by the first day of class.
- Once an installment has been “billed,” changes made on your account will NOT apply to that installment. The total change will be spread out evenly over all unbilled installments.
